XTC SEMI OFF-ROAD

Don't be confined to the road well-travelled. Make your own path with the XTC Semi Off-Road Range. An evolution of the Concept Ascot, the XTC brings its own bold personality whilst conforming to the high quality, and exacting standards that Concept Caravans are so widely and proudly known for.

Designed and built for long-term touring, the spacious, luxurious interiors are complemented by stylish flush-finished furniture, and extended upholstery. This touring van shouts practicality, ranging from a single axle 5.5m van through to a 7m twin-axle. Exterior features incorporate composite cladding and extended checkerplate, boasting a tough design.

With increased durability and longevity, this van ensures the most pleasurable travel and accommodation for your adventures.
